

Care Instructions

Succulent and Sedum

Crassula ovata 'Golum'; jade plant; sedum sieboldii 'dragon'

Location:

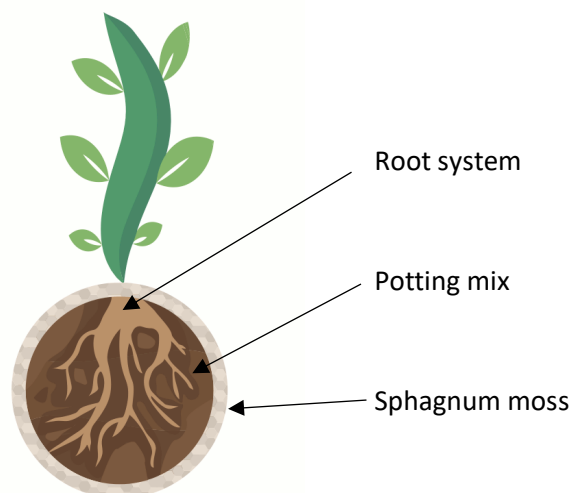

bright indirect sunlight in summer, direct sun otherwise. Indoor or outdoor. Succulents tend to stretch out when not enough light .

Watering:

Water slightly the moss ball from the top when it is completely dry - it will also be lighter. Be aware that over-watering may kill your succulent or sedum.

Toxicity:

Some sedum and succulents can be mildly toxic to cats and dogs.
